5th April 2012

I am pleased to offer this testimonial for Jim Cotton and Phoenix Power-Vac, for furnace and duct cleaning, air system cleaning, dryer vent cleaning, etc. Besides Jim's considerable expertise from years of experience in the industry, I am happy to be in a position to attest to his honesty, integrity and ethical business practices. I would recommend the services of Phoenix Power-Vac to anybody and in particular to Four Mile Heights' fellow housing cooperatives.

Philip Brown

President - Four Mile Hts. Housing Co-op. Victoria, BC
